[POSITION, OBJECTIVES]

Lieutenant of "Scepter 4". As Reisi Munakata's right arm, the "Blue King", she coldly carries out the mission. She firmly respects Munakata and acts on his behalf. She is trying to play a purely organizational "role".

In the organization of "Scepter 4", as a substitute for Munakata, where many authorities are concentrated, she will share everything with Fushimi and do whatever it takes.

[PERSONALITY, CONDUCT]

Although she has a serious personality, she is uncompromising. In an unexpected situation, she can be shocked to be trapped in a vacuum.

At first glance, there is a strong impression that she is "competent and tough", but this is because she plays that position directly, and the root of it is obedient. Munakata worship has fostered this trend. In other words, the existence of "humans one should follow" is strongly indicating a role action.

The naked feminine side is usually hidden, but sometimes she makes you look straight in the face.

People around her say "ice" and "tundra", but people close to her are believed to have "unexpected gaps".

[FATE, ENDING]

In order to continue being the "right arm of Reisi Munakata", she tries to leave the position of Lieutenant of Scepter 4. In an emergency, she prepares to kill Munakata and tries to follow Munakata's destiny.

[ABILITIES, TACTICS]

A powerful cutting ability that combines the skill of the sword and special powers. Cut the road surface and cut the vehicle.

Black tea (Darjeeling). It is unclear if she puts the red bean paste in this.

[DISLIKE]

Indecision and unclear behavior.

Not good for spiders (or roaches).

[HOBBIES]

Basically, she lives a life full of homework and training, but she collects small items, concentrates bath salts, and reads romance novels.

In addition, there are members of the women's dormitory and women's associations. Somehow high power of the girls.

[FASHION]

Her clothes are simple, she has loose hair and is feminine.

It is a loose look at home. She wears glasses when she reads in the bedroom.

She owns unused play underwear.

[BODY]

A well trained body. And big breasts.

In addition to regular training, she also does muscle training in private. The body is regulated by training and moderation.

Also, she seems to have a more natural charm, but it seems that she is unaware of this. Especially during her mission, she loses awareness of her appearance.

For example, she believes that the thighs of the uniforms are out because it is easy to move.

[INTELLIGENCE]

She has high processing power and is deterministic, but is somewhat inflexible and weak at judging situations beyond the manual.

It is appropriate to take the spearhead command while receiving instructions from Munakata and information support from Fushimi.

[BELIEFS]

With a confidence close to the Munakata cult, her personal feelings lurk beneath her.

[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

The first person is "Watashi".

Basically the tone is like "female boss". During the mission, she will have a harsh tone close to that of a man.

[TOWARDS REISI MUNAKATA]

She calls him "Captain" or "Anata".

As she gains great confidence, she often tells herself that she won't fall in love. This is also a manifestation of the wish for Munakata to be a "perfect king".

However, at that time, if she says "This is fine.", she stops spying and follows Munakata's instructions rather than her own judgment.

[TOWARDS FUSHIMI SARUHIKO]

She calls him "Fushimi", "Anata" or "Omae".

Fushimi has a lot of behavior and interpersonal relationship problems, but Awashima basically doesn't care.

In addition to recognizing Fushimi's practical excellence, he is a bit stubborn in his personal relationships and the idea that "it's okay if the Captain doesn't say anything".

If he's too flashy, she'll stop or preach but treat him like a "rebellious little brother."

[TOWARDS THE MEMBERS OF SCEPTER 4]

She calls them: "Surname-kun", "Anata", "Omae".

As a field commander, her subordinates trust her.

In informal situations, she may be ridiculed for her tough nature, but she is in the category of "family jokes".

[TOWARDS IZUMO KUSANAGI]

She calls him "Izumo Kusanagi", "Bartender", "Kusanagi-kun", "Anata".

Kusanagi calls her "Seri-chan". A relationship like "bartender and regular customer" + α .

In terms of romance, smells like "subtle relationship" or "adult negotiation", but Kusanagi doesn't really delve into "that topic".

Awashima is useful as a relationship that allows you to express yourself privately.

[TOWARDS OTHERS LIKE ISANA YASHIRO, KURO YATOGAMI, MISAKI YATA]

"(Full name)", "-kun", "Omae", "Anata", "Kisama". She calls them according to the flow of time.

As a Lieutenant in "Scepter 4", she only interacts with other members of the clan in public, and there is no spiritual interaction.

However, Kusanagi's entanglement with Homura's core members has a sense of familiarity.

[TOWARDS SUOH MIKOTO]

She calls him "Suoh Mikoto", "Suoh", "Anata", "Omae" (during battle, etc.).

Recognition as "the head of the field of confrontation". There is no spiritual exchange.
