### **[IMPRESSION, OTHER NOTES]**

- The image color is "blue".
- "The survivor of the old generation". Currently, he is like a window.
- The previous synonym is "Oni no Zenjou" (The demon Zenjo). Actually, he is very strong. It makes him angry.
- He is still dragging the fact that he murdered Habari Jin, his boss, who was the former Blue King.

### **[POSITION, OBJECTIVES]**

Member of Scepter 4. He works in the internal department (data room). In an emergency, Munakata calls him and joins the operation.

A man who used to be an aide to "Blue King" Habari Jin, to whom he still has loyalty.

He believes that he must identify the existence of Munakata, who is now the "Blue King" and, if necessary, protect or cut him off. He is the strongest escort for Munakata and, at

the same time, one of the powerful and dangerous "playing cards" that can cut him from behind.

### **[PERSONALITY, CONDUCT]**

A serious and awkward personality. He is not good at socializing.

He can reflexively draw a sword at a speed that exceeds his own will, and even brought down his own "king". Some kind of dangerous person.

### **[FATE, ENDING]**

In an emergency, he assumes the role of cutting Munakata and accompanies the battle between Munakata and Iwafune.

### **[ABILITIES, TACTICS]**

A sword with tremendous speed that also shoots bullets.

He is superhuman and strong without drawing a sword.

A non-standard fighting force that unexpectedly strikes and kills the "King".

Fight the strength of the strongest class except the "King". "It is the same as Mishakuji Yukari, but it is not very compatible."

### **[LIKES]**

Soba.

### **[DISLIKE]**

He is not good with sweets, but when they serve him, he endures eating them.

He is not good at socializing and feels stressed when he doesn't know what to say during conversation. He especially he is not good to Munakata.

### **[HOBBIES]**

In his spare time, he only practices kendo.

He was originally a brilliant chef, but now he has a sense of duty and custom.

### **[FASHION]**

He is not very fashionable, but he is not too dirty.

## **[BODY]**

A well trained body. Along with the physical damage and loss, it is an image of "swordsman" and "demon sword" as in historical dramas.

## **[INTELLIGENCE]**

He is not good at thinking about complicated things.

On the other hand, the momentary animal judgment was extraordinary, and it was said that he "would never make a mistake without thinking with his head". However, since he took steps to "cut off his own "king", he himself mistrusts himself and does not try to do the minimum.

## **[BELIEFS]**

He still swears absolute loyalty to the "Blue King".

After cutting it off, he lives for the Atonement.

## **[RELATIONSHIPS]**

### **[EARLY YEARS]**

When he was young, he was a swordsman with genius skin.

He obtained his place by meeting "Blue King" Habari, but lost his place in the Kagutsu incident, and after that, he lived an isolated life for about 10 years until he met Munakata.

### **[TIMELINE]**

- 1976, Zenjo Gouki is born.
- 1999, July, Kagutsu Incident, the "Red King". Kagutsu's Sword of Damocles falls, destroying the city and half Scepter 4. Habari Jin is killed.

## **[ATTITUDE AND THOUGHTS TOWARDS OTHERS]**

### **[TERMS OF THE ADDRESS FOR HIMSELF]**

The first person is "Watashi".

He used to say "Ore", but now he rarely says it.

### **[TOWARDS REISI MUNAKATA]**

He calls him "Captain" or "Anata".

He shows respect one step away from himself, but never forgives his heart. He instinctively hates it.

### **[TOWARDS AWASHIMA SERI]**

He calls her "Lieutenant" or "Anata".

He sympathized with Awashima as a forerunner in "choosing the followers of the king", but he has no intention of revealing it.

From Awashima's point of view, she doesn't want to trust Zenjo's opinions and bring him closer to Munakata.

### **[TOWARDS OTHER SCEPTER 4 MEMBERS]**

He calls them: "Surname-kun" and "Kimi".

As "the oldest of the group", he is familiar while keeping a distance.

Of the members who actually saw the battle (Special Squad), they are slightly distracted while keeping an eye on him.

### **[TOWARDS SHIOTSU GEN]**

He calls him "Shiotsu" or "Omae".

They are both the survivors of the parties involved in the "Kagutsu Incident" and sympathize with each other as those who carry a great sin, but there are subtle differences in posture (Shiotsu tries to escape in a joke, and has a good posture that cannot move). They are a bit dismissive of each other.
