[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

He thinks the first person should be "Ore" for private and "Watashi" for public, but he tends to say "Ore".

[TOWARDS REISI MUNAKATA]

He calls him "Captain".

He is a great person and respects him. However, there are many things that he cannot follow because he is too eccentric when he communicates with them in private.

[TOWARDS AWASHIMA SERI]

He calls her "Lieutenant".

During training, she is too harsh and often he complains behind the scenes. But he has to pay attention to his breasts.

When he is in private, he gets a bit embarrassed when he sees Awashima, who looks like a normal woman, instead of Awashima as Lieutenant.

[TOWARDS FUSHIMI SARUHIKO]

He calls him "Fushimi-san".

Although he deals with his boss as a subordinate in his work, he is a little worried about Fushimi, who is floating in his private life. He hopes Fushimi is more familiar with "Scepter 4", but he can be frustrating when he tries to close the gap by doing extra things.

[TOWARDS AKIYAMA HIMORI, BENZAI YUJIRO, KAMO RYUHO, DOMYOJI ANDY]

He calls them "Akiyama-san", "Benzai-san", "Kamo-san" and "Domyoji-san".

He is currently a colleague of the Special Task Force, but treats them with an attitude towards older people. Domyoji was the direct commander of the Fourth Platoon era, but the distance is close due to Domyoji's friendly nature.

[TOWARDS TATSUYA ENOMOTO, DAIKI FUSE, GOTO REN]

He calls them: "Enomoto", "Fuse" and "Goto".

Fourth platoon era friends. They are also friends who can goof around together.
