

TRANSLATION: NARU-KUN / K-PROJECT WORLD

Real name: Mishakuji Yukari

Terms of address: Mishakuji Yukari, Purple Ninja, Beauty☆Angel (Nickname for Jungle)

[PROFILE]

Birthday: August 25, Virgo

Blood type: AB

Age: 30 years. (At the beginning of the second season.)

[APPEARANCE]

Physique: 1.85 cm in height. Slim and flexible body.

Face, hair: A lustrous and neutral beauty. Long hair and loose waves.

Attire: Long coat and leather gloves. The sword is carried on his back.

Personal effects: The famous sword "Ayamachi". A sword combined with Kuro's "Kotowari".

[HABITS, SKILLS]

- He can recite all of Ichigen Miwa's cutting edge haiku that he heard during his discipleship.
- Two colors, colorless and green.
- Miwa Meishin style, all in one.

[IMPRESSION, OTHER NOTES]

- The image color is "deep purple".
- He loves beautiful things, and beauty is the criterion for making decisions.

[POSITION, OBJECTIVES]

After serving as the Seventh King's vassal, Colorless King Miwa, became a member of the Green King's clan. He still deeply adores Miwa's words, but he feels that the world of harmony he was aiming at was not what he really wanted, and he left. After that, he found the beauty of Nagare that contains the dream of change that he knew.

One of the most powerful J-Rank of the green clan "Jungle" and the commander of the "Jungle" task force. He agrees with Nagare's plan, but is not that interested in it. He works for the interest of the human beings named by "Nagare" and the joy of acting as his clan member.

To Kuro, who was a member of the Ichigen Miwa clan, he was a former brother, and he is like a wall that cannot be overcome in all things.

[PERSONALITY, CONDUCT]

A beautiful narcissist. He acts positive and evasive, but there is the dignity of the strongman who cannot be frivolous. He loves others as long as they are beautiful. The "beauty" in this case includes not only the appearance but also the behavior. He looks like a human free and has a rhythm of his own, and in fact, he has a calm point of view as he takes another step forward. However, since the person in question considers the lack of space wild, he does not reveal it. He spares no effort in training his swords and abilities as "self-improvement" every day, but for the same reason he doesn't show it to others.

[FATE, ENDING]

In the final battle, "Jungle" is destroyed and loses Nagare and Iwafune. Yukari takes a new path with Sukuna.

[ABILITIES, TACTICS]

Member of the clan with the power of two colors, Colorless and Green. His ability as a member of the Colorless clan is almost the same space operation ability as Kuro, and he can generate a force field on the extension line of limbs and swords, and can attack. However, his power and range of effects greatly exceed Kuro's.

The Green clan granted him the ability to modify himself, not other objects. By "decorating a strong self with more force", such as acceleration, hardening, and light emission, he demonstrates exceptional combat power.

[POWER]

B + (High ranking clan member.)

Except for the "King", he probably has the strongest fighting power.

[LIKES]

All the beautiful things. Attention from others. Training. Miwa's words.

[DISLIKE]

All ugly. Dirty clothes. Perspiration.

[HOBBIES]

Skin care. Anti-aging. Take care of the sword. Play with Sukuna.

[FASHION]

Wear clothes made from high-quality materials. Instead of dressing in splendor, he prefers elegant fashion that complements his beauty.

[BODY]

He has a lean and flexible muscular body and has very good athletic ability.

[INTELLIGENCE]

The brain itself is extremely clear, but since there is a momentary aspect of the game that comes from absolute confidence, he often does not think deeply about a case. Genius who is not interested in gathering knowledge and gives correct answers with the materials that exist.

Although he is an intelligent and wise person, he is not a serious academic person.

[BELIEFS]

Pursuing his own beauty is a priority. Everyone else is even cooperating with Nagare's plan. The Green clan remains a "diner" rather than a "servant" who promises loyalty.

With absolute self-confidence as the foundation of his mind, he truly believes that he can survive any crisis (even when he faced the King). Due to this solidly completed self-awareness, there is no hesitation in action and there is no time to waste in crisis situations.

[RELATIONSHIPS]

[EARLY YEARS]

Disciple when he appeared briefly under Miwa's tutelage. He was already a high-level sword user.

The above story is a complete mystery. Later revealed in "K SIDE: PURPLE".

[TIMELINE]

- 1983, Mishakuji Yukari is born.
- 1999, he Appears before Miwa and becomes a member of the Colorless clan.
- 2004, he challenges Miwa to a duel and loses even though he adds a sword.
- 2011, he finds Nagare and becomes a member of the Green clan.

[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

The first person is "Watashi".

The second person is "Anata". A light tone with a feminine voice.

[TOWARDS HISUI NAGARE]

He calls him "Nagare-chan" or "Anata".

He sometimes calls him "Nagare-kun" or "My lord", but they are not actually included under the so-called "king" and subject. He continues for the interests of Nagare. Rather, they are going to walk together.

At the moment, he treats him courteously as a member of the clan, but the actual attitude is pretty cheap. The stance is to look at the actions of bad friends in a fun way and lend a hand to the viewing fee.

[TOWARDS IWAFUNE TENKEI]

He calls him "Iwa-san" or "Anata".

A relationship between adults who interact with each other with roughly the same consciousness, and also struggle with a light mouth. There are times when people talk about things that are painful, and there are times when they don't touch what they want to hide.

Although he met him when he was Seigo Otori, he treats him as "Iwafune Tenkei" because he has abandoned the past.

[TOWARDS GOJOU SUKUNA]

He calls him "Sukuna", "Sukuna-chan", "Anata".

The posture of being a big brother taking care of his mischievous little brother. However, since he entered the battlefield out of his own wishes, he is fully responsible for all of his actions.

He does not protect or interfere, but it is not excessive to watch and occasionally lend a hand.

[TOWARDS KURO YATOGAMI]

He calls him "Kuro-chan" or "Anata".

As brothers under the tutelage of Miwa Ichigen, their attitude is easy and their actions are strict. While he teases a solid place, he does not dislike him, and implicitly leads him to a step of improvement. However, he does a lot of nonsense about his unconscious dependence on Miwa Ichigen.

[TOWARDS MIWA ICHIGEN]

He calls him "Master", "Ichigen-sama" or "Anata".

A dear master. Although the strength of that feeling is insurmountable, he wants to see the beauty of Miwa that can only be seen by exchanging lives, without hesitation he confronts Miwa and separates from him. Even now, the respect for Miwa remains the same.
