

## **TRANSLATION: NARU-KUN / K-PROJECT WORLD**

**Real name:** Hirasaka Douhan

**Terms of address:** Hirasaka, Douhan, Kuroko (Nickname in Jungle)

### **[PROFILE]**

**Birthday:** October 29, Scorpio

**Blood type:** A

**Age:** 28 years. (At the beginning of the second season.)

### **[APPEARANCE]**

**Physique:** 1.65 cm in height. A slim body. The abdominal muscles are slightly cracked.

**Face, hair:** Beautiful face with droopy eyes. Blonde. Glasses.

**Attire:** When she was on duty, she wore a power suit, her head was completely covered with a ninja hood, and her voice was changed by a voice changer, so there is almost no clue to identify an individual from the outside.

**Personal effects:** Two ninja blades, like a giant shuriken. Kunai.

### **[HABITS, SKILLS]**

- Complete business-type division. She has a calm judgment.
- She can take full advantage of the modifiability to go through the wall.

### **[IMPRESSION, OTHER NOTES]**

- The color of the image is "dark green", which looks like a blob of green on black.
- Seen from the edge, she is completely a ninja, but she is not particularly aware of that.

### **[POSITION, OBJECTIVES]**

She is U-rank in the Green clan, "Jungle".

Originally, she has accumulated "Jungle" points so that she can become a J-Rank, but instead of becoming an executive and difficult to take free action, she can stay in the U-rank and exchange points earned by doing only her mission. Choose a position. She sees the "Jungle" mission as a "business" rather than a game. She has no interest in Nagare's purpose and ambitions and has no sense of clan membership. In addition to the mission of "Jungle", there are many companies that host Hirasaka's own route, and the reason why Hirasaka is a "Jungle" rancher is that it is possible to use these talents to carry out those endeavors efficiently big.

## **[PERSONALITY, CONDUCT]**

She demands "power", "money", "security" and "perfect business".

She is a professional who does not like clumsiness and uncertainties, such as in-laws, personality, and ties.

## **[FATE, ENDING]**

After being arrested by Fushimi in the first attack on the Mihashira Tower, she was placed in the "Scepter 4" camp, but then Fushimi and Munakata hired her respectively to complete his business.

## **[ABILITIES, TACTICS]**

She uses a trick that can transform the target and dive there. Making good use of that technique, she is good at surprise attack tactics that launch attacks from unexpected places. Because she doesn't like danger, she basically prefers a "one-sided attack from a strong position", and when she gets close to him, she draws as much as she can, or punches away from her.

On the other hand, she isn't good at hitting at close range, but if necessary, she will also carry a hand-to-hand combat with a ninja sword on her back.

## **[POWER]**

B (Lower than business class.)

## **[LIKES]**

Strength, money, security, loneliness, credit, give and take, sushi pizza, sake, hot springs.

## **[DISLIKE]**

Risks / restrictions / less balance / trust / concession (whether done or not)

## **[HOBBIES]**

A board game where you can play solitaire, Tsume shogi, Tsumego, etc.

## **[FASHION]**

Basically a ninja-like power suit. When she acts like an ordinary person, she wears various clothes depending on the situation.

## **[BODY]**

She has been strengthened as a member of the clan.

The lightness is selling, and the power is almost the same as the ordinary clansman. If she competes with the executives, she will lose.

## **[INTELLIGENCE]**

High. She has a high degree of head rotation and ability to calculate the situation, and she constantly determines when to shoot and when to attack.

She has her own information network of hers and, in particular, does not neglect the force analysis of the main characters of each clan.

## **[BELIEFS]**

She values power, money, and loneliness above all else.

She acts alone and hates being forced by something. Basically no one trusts her, and she is wary of having multiple hiding places around the world.

A perfectionist who does not hesitate to engage in any illegal activity as long as she is satisfied with the "business" she received.

## **[RELATIONSHIPS]**

### **[EARLY YEARS]**

Although she grew up in a common family, her family relationship was cold and she grew up alone.

When she was a high school student, her brother was born, who was her father's stepson, and the family got even worse. The two live as close siblings, but the younger brother has an accident in front of Hirasaka and has a difficult body to survive. Hirasaka works to save her brother and earns money, but her brother died. She loses her purpose of making money and laughs, but eventually the media will supersede her purpose, and the "business" of making money will be Hirasaka's sole purpose.

## **[TIMELINE]**

- 1985, Hirasaka Douhan is born.
- 2013, Hirasaka participates in the first raid operation on the Mihashira tower and is captured by "Scepter 4".

## **[ATTITUDE AND THOUGHTS TOWARDS OTHERS]**

### **[TERMS OF THE ADDRESS FOR HIMSELF]**

The first person is "Watashi" and the second person is "O omo (Mr.)".

She speaks in ordinary masculine language. Don't use honorifics.

### **[TOWARDS HISUI NAGARE]**

She calls him "O omo (Mr.)".

Formally they are the "Green King" and the member of the green clan, but for Hirasaka, Nagare is just one of the clients.

However, since she knows that his power can be wielded by the three dimensions of Nagare's chest, she treats him with the attitude that she will not lose her courtesy. She treated him as "President of the client".

He thinks that he can "do what he cannot do" or "can cause disaster for all mankind", but believes that he has no choice but to make such a dangerous bet. He can be said to be desperate for "the salvation of mankind by ordinary means".

#### **[TOWARDS MISHAKUJI YUKARI]**

She calls him "O omo (Mr.)".

After all, he is a customer. She has no feelings, but sometimes he is indispensable.

However, she is less polite than with Nagare.

She treated him as a "point of contact for business partners".

#### **[TOWARDS GOJOU SUKUNA]**

She has known him since he was a lower rank than her, so she has a bad attitude towards Yukari.

However, they will be treated as equal business partners during joint missions.

She doesn't want to give emotions just because he's a boy, but she can't deny that her judgment is a bit awkward.

#### **[TOWARDS OTHERS]**

She basically ignores the red clan and the blue clan. Fighting the incompetent is too risky unless it is a clear obstacle to achieving the goal.

The same applies to other ordinary people, and those who don't need to get involved will pass completely.
