### **[ATTITUDE AND THOUGHTS TOWARDS OTHERS]**

#### **[TERMS OF THE ADDRESS FOR HIMSELF]**

The first person is "Ore".

It's a light and cheerful tone, but there are times when he suddenly screams or makes a big difference, and his head is sharp.

#### **[TOWARDS FUSHIMI SARUHIKO]**

He calls him "Saruhiko" or "monkey".

The only fun thing is to make a joke, piss him off, and laugh at Saruhiko. Although there is no principle of abuse that causes serious physical harm, it seems that it is not because there is an ethical limit on Niki because he is angry if the person who is mentally upset is in fact angry.

#### **[TOWARDS FUSHIMI KISA]**

He calls her "Kisa-san" because she is his wife and older than him.

He's not as obsessed with teasing her as he is with Saruhiko, but it seems fun to tease Kisa, who always has her elbows in front of her. Niki deliberately invaded a birthday party at Kisa's house where he invited friends and business associates.
