

## **TRANSLATION: NARU-KUN / K-PROJECT WORLD**

**Real name:** Tsukumo 99

**Terms of address:** Tsukumo

The latest version of the cleaning robot series.

The cleaning of Ashinaka High School is entrusted to multiple Tsukumo 99.

### **[APPEARANCE]**

- A cleaning robot with a drum-shaped body and arms and eyes. The total height is about 100 cm.
- A trolley with a device for compressing the powder is attached to the rear. Fine dust is sucked up from the bottom, large ones are picked up by an arm, and the acquired is judged to be trash or lost property and processed.

· For plastic bottles, remove the cap with the arm, put it in the cart, press and send to recycle. On the cart there is a flag with a recycling mark.

· In a small room, etc., there are cases when only the body without carriage is active.

### **[HABITS, SKILLS]**

· Speak in the samurai language.

· Communication is possible between the Tsukumo 99 who are controlled by the same mother computer.
