She met Niki at a college entrepreneurship circle event invited as OG. Niki was not a student at the university, but he was invited by someone (Kisa remembers, a woman). Kisa, who has been called a "genius woman" by the people around her, first meets a "genius" who has an incredible thought that she cannot imagine. Attracted by Niki's talent, she began dating with the expectation that her business could take a leap forward. However, Niki showed no interest in Kisa's management.

[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

The first person is "Watashi".

It is a feminine word, but the tone is cold and dignified.

[TOWARDS FUSHIMI SARUHIKO]

She calls him "Anata". It is unlikely that she will call him by his name.

The mother-child relationship is cold with only the minimal conversation necessary. Indifferent to the growth and performance of her son. Even from Saruhiko's early days, there were no reports of events at the school.

[TOWARDS FUSHIMI NIKI]

She calls him "Niki".

Relationships that only happen when she is home. Her elbows are stretched out to avoid being swallowed into Niki's world of smoke. Kisa thinks there is no love for couples, but while Niki was in the hospital, she slipped and said, "If it's really bad, I'll look for anything in an American hospital.". It is not clear if Kisa has regretted her marriage and childbirth, but in any case, she is not the type to drag her past actions.
